

The Skills Funding Agency Update – Issue 67(27th July 2011) includes a section on Apprenticeships and Specification for Apprenticeship Standards in England and links to the Apprenticeship website to a question and answer section, with particular reference to guided learning hours, some of the questions answered include:

- What does 'off the job' GLH mean?
- What will be the Audit requirements for providers in terms of GLH?
- What does 'on the job' GLH mean?
- What is the outcome if not all the GLH are achieved?
- What can be included in the on and off the training in relation to GLH?
- What evidence will be required to prove that providers 'deliver the requirements of the GLH'?

For answers to these questions and many more please follow this link and select the "SASE Implementation" section:
